

RCI Online Tour for The Ultimate Vacation Guide.

**Welcome to The Ultimate Vacation Guide
online CD tour. Here, you can use our
step-by-step guide to assist your navigation
with The Ultimate Vacation Guide CD-Rom.**

**So let us all begin by inserting
the CD into your CD/DVD drive.**

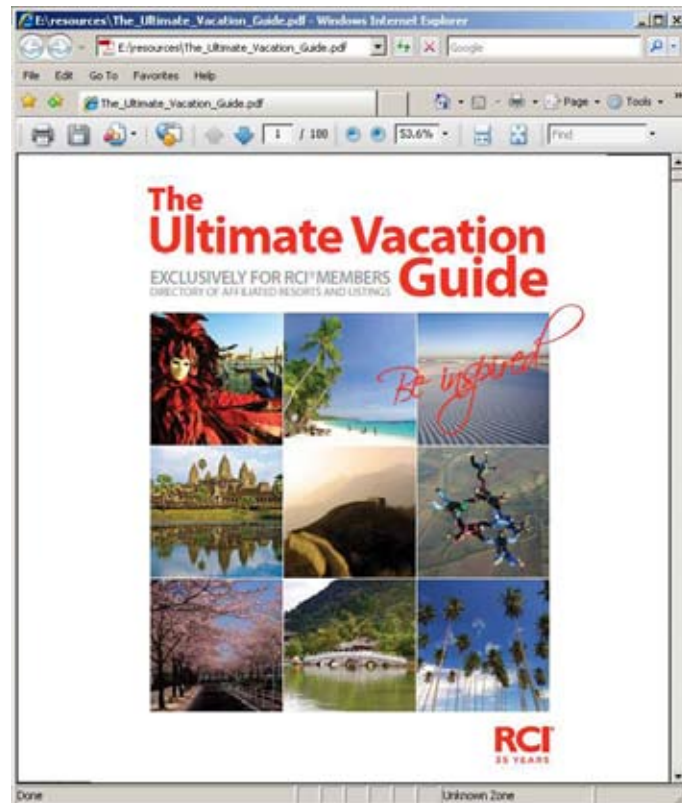

Step 1 – The Welcome Page

Does your explorer show the same as above? Upon insertion of The Ultimate Vacation Guide CD-Rom, you should be prompted with the same visual interface. This is what we call the Welcome or the introductory page, where viewers can choose to read The Ultimate Vacation Guide or watch Your RCI Experience video. For starters, let us do this one step at a time. Herein, you can begin your exploration by simply clicking on The Ultimate Vacation Guide button.

Step 2 – The Ultimate Vacation Guide

After clicking on The Ultimate Vacation Guide button, your internet explorer should follow through with the opening of a PDF document. This would be the cover of The Ultimate Vacation Guide. Now let us move on by scrolling down to page 3.

Step 3 – Contents

You are now on the contents page. Here, you will notice a few yellow symbols that mention 'Click >>' on the left side of the page numbers. These are your navigational shortcuts. Clicking on them will give you instant access to the page you select.

For example, let us all look at the Affiliated Resort Listing section. Click on the 'Click >>' button that leads to "Australia & New Zealand". This should bring you to our Australia and New Zealand section.

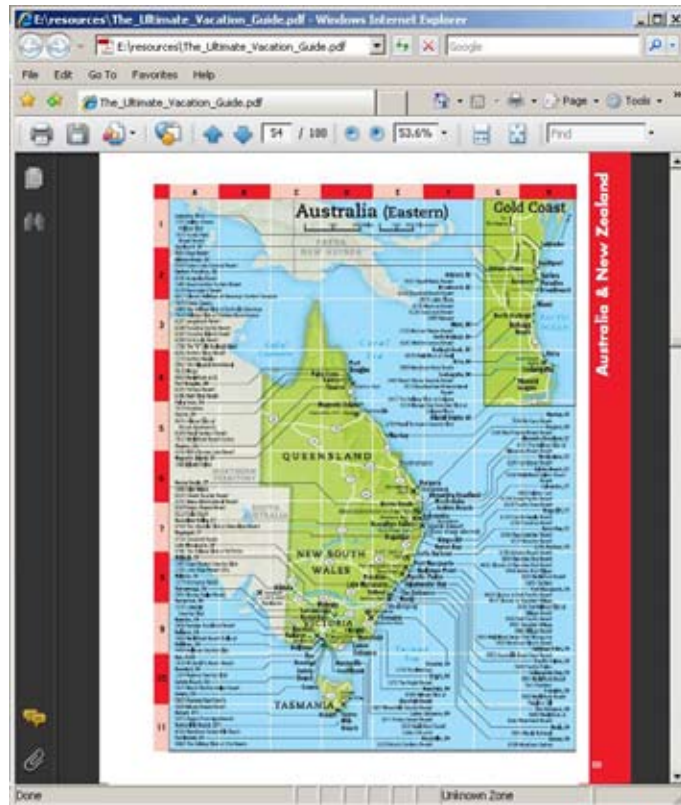

Step 4 – Country Introduction

You can now read and find out more about the available destinations. Get acquainted with some of our quick tips here and you will be ready for the perfect holiday destination in no time.

Step 5 – Maps and Resorts

As you scroll down, you will be able to see our resorts spanning across the maps. You can then look for the state / city on the maps, and locate your preferred mode of accommodation.

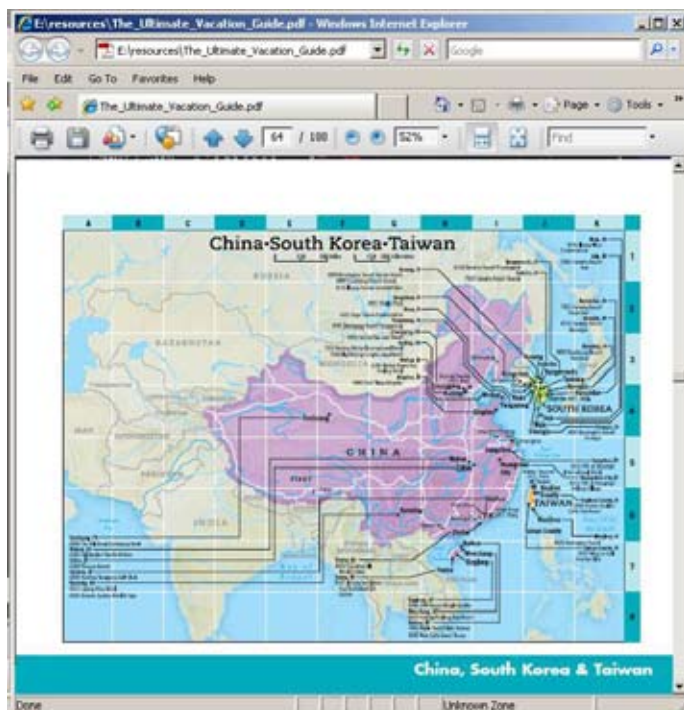

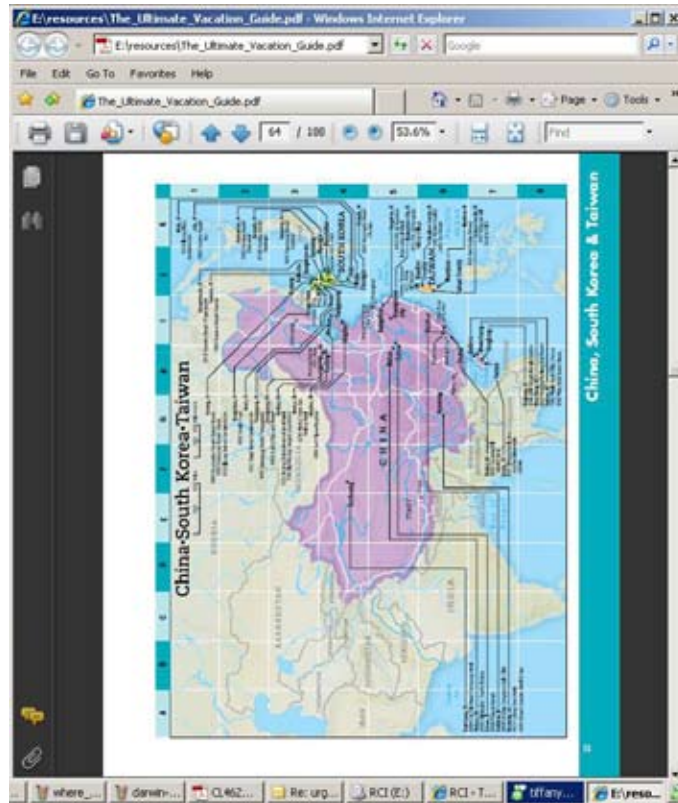

Step 6 – More Resort details

These pages after the map provide you with further resort details and the many amenities you can enjoy.

Step 7 – How to rotate the maps

For maps that are longitudinal, you can right-click on the map, and click “Rotate Clockwise” to rotate the map for landscape viewing.

Step 8 – Your RCI Experience Video

Now that we have gone through navigating The Ultimate Vacation Guide, you can now toggle back to the Welcome Page window as stated above.

Herein, you can proceed to watch Your RCI Experience video. Click on the language your choice to begin. Depending on your system settings, your computer will automatically launch the default media player that will play the video.

Sit back and enjoy the RCI video footage that consists of our RCI holiday exchange system, and your exclusive RCI membership benefits.
